## Report on Plantation by NSS Team in KargilShaheedMangej Singh Park, Jhotwara conducted by Vivek P.G. College, Kalwar

Date: 13.08.21

Time: 9 am

Venue: Kargil Shaheed Mangej Singh Park, Jhotwara

### Objective:

- To Promote Environmental Conservation: Increase green cover and improve local environmental conditions through tree planting.
- To Enhance Community Green Spaces: Contribute to the beautification and ecological health of the park.
- To Encourage Volunteerism: Engage students in community service and foster a sense of responsibility towards environmental sustainability.

### Brief Report:

On the day of the event, volunteers began gathering at the park in the morning. They were welcomed with a brief orientation and an inaugural ceremony led by Principal. The ceremony underscored the significance of the plantation drive and its benefits to the community. The main activity of the day involved planting saplings of various tree species which are suited to the local climate. Volunteers worked on soil preparation, planting, and mulching to ensure the healthy growth of the newly planted trees. The event concluded with a closing ceremony where the day's activities were summarized, and certificates of appreciation were awarded to the volunteers. Participants were treated to light refreshments as a token of appreciation for their efforts. The plantation drive was a success, with over 100 volunteers participating. The diversity of tree species planted will contribute to the park's biodiversity and ecological balance.

### Outcomes:

- The plantation activity served as an educational experience for participants, raising awareness about environmental conservation and the importance of tree planting.
- Participants gained practical experience in planting and caring for trees. This hands-on experience helps them develop skills that can be applied in future environmental initiatives.

## Report on Mask Distribution Programme conducted by Vivek P.G. College, Kalwar

Date: 20.12.2021

Venue: From College Campus to the area of Kalwar, Govindpura, Vaishali

### Objectives:

- To Promote Health and Safety: Provide masks to reduce the risk of spreading infections and promote health safety.
- To Support the Community: Offer essential protective gear to students, faculty, and local residents who may have limited access to masks.
- To Raise Awareness: Educate the community on the importance of wearing masks and maintaining hygiene practices.

### Brief Report:

On the day of the event, distribution points were set up at key locations on the college campus, including the main entrance and student center. Volunteers managed the distribution process and assisted with registration. Masks were distributed to students, faculty, and staff, along with information on proper usage and disposal. In the afternoon, the program extended to local residents in the nearby community. Additional distribution points were set up in accessible locations to ensure that masks reached those who might not have easy access to them. Volunteers also provided brief educational materials on mask-wearing guidelines, hand hygiene, and general health practices. The program successfully distributed over 3,000 masks. The organized setup and dedicated volunteer teams ensured efficient distribution. The educational component of the program helped raise awareness about mask-wearing and hygiene practices.

### Outcomes:

- Increased mask-wearing compliance among vulnerable populations
- Reduced risk of Covid-19 transmission in the community
- Enhanced community engagement and participation
