## SEMINAR REPORT ON GUIDANCE FOR PREPARING COMMON ADMISSION TEST

### Event Details:

Date:- 10-08-2023

Time: 10:00 AM to 12:00 PM

Venue: College Seminar Hall

Expert Lecture: Dr. Payoj Raj Singh

Subject: GUIDANCE FOR PREPARING Common Admission Test

Participant - 460

### Objective:

The seminar aims to provide general guidelines for preparing students to qualify for the Common Admission test, which is essential for students to get admission in Postgraduate management programs, such as MBA (Masters of Business Administration)

They will also learn about Job opportunities after qualifying for the CAT Exam.

### Program:

A session was organized to explain the exam structure, type of questions, and marking scheme of the Common Admission test Exam.

A session was held to share the eligibility criteria for the CAT Exam

A session was held to share the scope of the CAT Exam details of the best colleges to join after qualifying for the CAT exam and the minimum CAT score needed to gain admission to these institutes.

A session was held about the strategies and plans to complete this exam successfully.

### Outcome:

Students gained complete information on the changes in the CAT exam format after the COVID-19 pandemic. This program motivated students to develop their strategic thinking and leadership skills, providing them with the necessary information and abilities in management roles.

## SEMINAR REPORT ON CAREER PROSPECTS AFTER GRAUDUATION

Event Details:-

Date:- 12-10-2022

Time: 11.00 am to 12.00 pm

Venue: College Seminar Hall

Expert Lecture: DR. SUNITA BEDWAL

Subject:- - CAREER PROSPECTS AFTER GRAUDUATION

Present Persons:-480

Objective:

To provide recent graduates and final-year students with a comprehensive understanding of career opportunities available after graduation. The seminar aims to equip participants with effective job search strategies, skill development tips, and networking techniques to successfully transition from academic life to the professional world.

Program:

Overview of various career paths and industries. Emerging fields and sectors with growth potential. Techniques for job hunting, including online resources and networking. Crafting impactful resumes and cover letters. Identifying and developing essential skills for career advancement. Exploring options for further education, certifications, and training.

Outcome:

Enhanced Career Awareness: Participants will gain a clear understanding of available career options and industry trends. Improved Job Search Skills: Participants will learn effective strategies for job searching, including resume writing and application processes. Increased Employability: Participants will identify key skills needed for career success and explore further education opportunities.

## Report on Awareness Program on Higher Education in Abroad

### Event Details-

Date- 10-02-2022

No. of Participants –457

Resource Person – Dr. Suman meena

Coordinator Name – Dr. Sunita Bedwal

Event venue – Seminar Hall

### Brief report

An Awareness Program on Higher Education Abroad was recently conducted at our college, aimed at enlightening students about the diverse opportunities available for pursuing studies overseas. The event featured experts and alumni who shared valuable insights into the benefits of studying abroad, such as exposure to different cultures, enhanced career prospects, and access to world-class education. The speakers discussed various aspects, including selecting the right universities, application procedures, scholarships, and visa requirements. Students also had the chance to interact with representatives from international institutions, who provided firsthand information about their programs and campuses. The program successfully inspired students to consider higher education abroad, offering them a broader perspective on their academic and professional futures.

### Program

- Welcome Address on the topic Awareness Program on Higher Education in Abroad by Dr. Sunita Bedwal
- Keynote Speech on the topic Awareness Program on Higher Education in Abroad by Dr. Suman Meena.
- Panel Discussion on "Awareness Program on Higher Education in Abroad"

### Outcome

The awareness program on higher education abroad, conducted at the college, significantly impacted the students by broadening their horizons and inspiring them to consider global opportunities for their academic pursuits. The event provided valuable insights into various international universities, courses, scholarships, and admission procedures, helping demystify the process of studying overseas. Students gained a better understanding of the benefits of global education, such as exposure to diverse cultures, enhanced career prospects, and personal growth. Additionally, interactive sessions with alumni and experts allowed participants to ask questions and clear doubts, increasing their confidence and motivation to explore educational avenues beyond their home country. Overall, the program fostered a sense of ambition and curiosity among the students, equipping them with essential knowledge and resources to make informed decisions about their future academic paths.

## REPORT ON CURRENT TRENDS AND TECHNOLOGIES

### Event Details:-

Date: 23-03-2022

Time: 11.00 Am to 12.00 Pm

Venue: college auditorium

Expert Lecture: Sanjay kumar

Subject:- CURRENT TRENDS AND TECHNOLOGIES

Participate- 567

### Objectives:

1. Understanding of Technological Trends: To provide understanding on current technological trends such as Artificial Intelligence (AI), Block chain and Cloud Computing.
2. Industry Changes: To review the major changes taking place in the industry and their impacts.
3. Future Direction: To discuss the future technological possibilities and innovations.
4. Sharing and Networking: To enhance the exchange of knowledge and experience among the participants.

### Programme:

- Inaugural Session- Welcome address and objective of the webinar was introduced.
- Keynote Session- Sanjay Kumar spoke on the current state and future of Artificial Intelligence (AI), Block chain technology: current uses and future prospects, Cyber Security: current scenario and challenges, etc.
- Panel Discussion on Industry Trends- Discussion on digital transformation, automation, and cloud.

### Outcome:

- Detailed Knowledge- Participants gained in-depth knowledge on the current trends of AI, Block chain and Cyber Security and their business implications.
- Industry Insights- Discussions on digital transformation, automation and cloud computing highlighted the changes taking place in the industry.
- Successful Q&A Session- Participants asked important questions and the speakers shared their views on solutions to their problems and the way forward.

## Report on Success formula for Competitive Exams

Date- 12-08-2019

No. of Participants – 645

Resource Person – Mr. Akram Khan

Coordinator Name – Dr. Sunita Bedwal

Event venue – Seminar Hall

**Objective-** The seminar on the "Success Formula for Competitive Exams in College" provided students with valuable insights into effective strategies for excelling in their exams. The session emphasized the importance of understanding the exam pattern and syllabus, developing a realistic study schedule, and employing active learning techniques such as self-assessment, summarization, and peer discussions to enhance comprehension and retention. Experts highlighted the significance of regular practice through mock tests to improve time management and build confidence. Additionally, the seminar underscored the need for maintaining physical and mental well-being, advising students to manage stress through exercise, meditation, and proper nutrition. The discussion also covered the role of a positive mindset, the importance of quality study materials, and the benefits of seeking guidance from mentors. Overall, the seminar equipped students with practical strategies and motivational insights to help them prepare more effectively for their competitive exams.

### Program

- Welcome Address on the topic "Success formula for Competitive Exams" by Dr. Sunita Bedwal
- Keynote Speech on the topic Success formula for Competitive Exams by Akram Khan
- Panel Discussion on " Success formula for Competitive Exams "

**Outcome -** The seminar on the success formula for competitive exams in college yielded several valuable insights and actionable strategies for students. Participants gained a clearer understanding of effective study techniques, such as active learning, regular practice with mock tests, and focused revision, all tailored to improve retention and understanding. The session fostered a positive and motivated mindset among students by sharing success stories and practical tips, equipping them with a comprehensive plan to excel in their competitive exams. Overall, the seminar was well-received and left attendees feeling more prepared, confident, and inspired to tackle their exams effectively.
