## Value-Added Course Course - Cultural Heritage Management

1	Course Name	Cultural Heritage Management
2	Coordinator Name	Mr. Tulsi Ram Choudhary
3	Number of Students	622
4	Duration	30 Hours

**About the Course:** Cultural Heritage Management (CHM) course involves managing cultural heritage. Its goal is to promote and celebrate the educational, historical, and cultural values of sites. It also draws upon practices from museum science, archaeology, history, and architecture.

Cultural heritage is an expression of the ways of life developed by a community and passed down from generation to generation. It includes customs, practices, places, objects, artistic expressions, and values. Cultural heritage is often expressed as either tangible or intangible cultural heritage. Tangible cultural heritage includes buildings, monuments, landscapes, books, and artifacts, while intangible cultural heritage includes folklore, traditions, language, and knowledge.

		Topics	Hours
Module	I	Core Principles of Cultural Heritage: focusing on customs, practices, and artistic expressions	10
Module	II	Indian Pronunciation and Cultural Transmission	10
Module	III	Cultural Heritage Explanation: Discussions on real-life situations, the importance of cultural heritage in life, types of culture, the meaning of culture, definitions, characteristics, and heritage sites.	10

### Course Outcomes:

- Strengthening the study of cultural heritage.
- Developing or enhancing the LSRW (Listening, Speaking, Reading, and Writing) skills.
- Expanding the vocabulary related to cultural heritage with new information and its active use.
- Practicing translation exercises for languages.
- Strengthening cultural heritage-related questions to build a successful career.
