NOTICE

Date- 17-09-2021

Dear Faculty Members,

All faculty members are hereby informed that a seminar on the Greenhouse Effect will be held at on 18/09/2021. The seminar will focus on the science behind the greenhouse effect, its impacts on global climate, and potential solutions to mitigate its effects.

Topic: Greenhouse Effect

- **Date:** 18-09-2021
- **Time:** 12pm to 1pm
- **Speaker :** Dr. Ashok Rastogi

We look forward to your active participation in this important event.

Best regards,

Principal

Report on Seminar on Green House Effect

Date- 18-09-2021

Organizing Department – Department of Botany

No. of Participants -35

Resource Person – Dr. Ashok Rastogi

Coordinator Name – Dr. Anita

Event venue – Seminar Hall

Brief report

The seminar on the Greenhouse Effect explores global warming, which refers to the rising average temperature of the earth due to increased greenhouse gas emissions. The seminar's scope will be innovations in the science, technology, and policy of controlling non-CO₂ greenhouse gas and precursor emissions. The seminar pays attention to

- Sources, sinks, and atmospheric processes of non-CO₂ greenhouse gases;
- Mitigation options and emissions reduction technologies and practices;
- Policies and measures, both in the public and private sectors; and
- The science-policy-industry interface.

Outcome

The seminar was expected to have the following outcomes:

PRINCIPAL
VIVEK PG COLLEGE
KALWAR, JAIPUR-303706

- Capacity development of target audience by raising awareness on climate change and urgent attention needed to carbon neutrality and climate ambition;
- Exchange of advanced knowledge and experiences of national governments on addressing climate emergency;
- Contribution to the establishment and advancement of greenhouse gas inventory systems

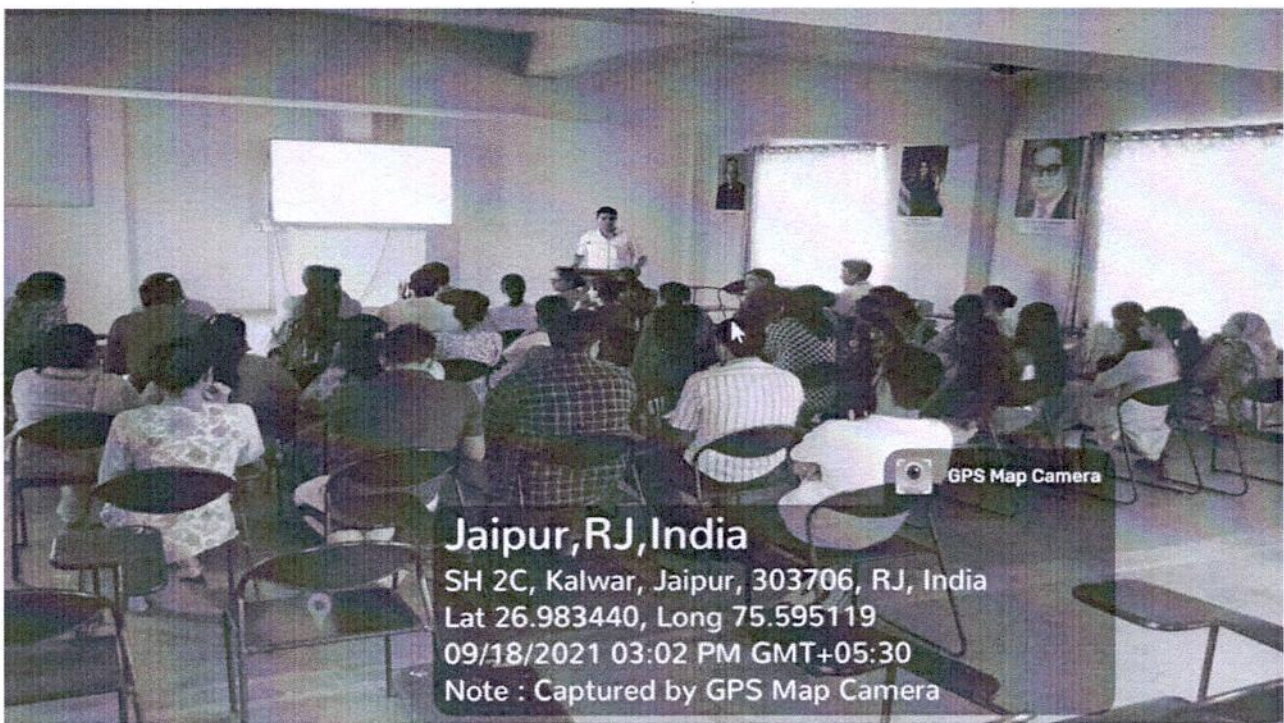

Fig: Speaker addresses key challenges and solutions in Green House Effect with expert knowledge

NOTICE

Date- 03-12-2021

Dear Faculty Members ,

This is to inform all faculty members that a seminar on "**Polymerase Chain Reaction (PCR)**" will be held in our college. Faculty members are encouraged to participate in this seminar to gain a deeper understanding of PCR techniques and their practical applications in research and medicine.

Details of the Seminar:

- **Topic:** Polymerase Chain Reaction (PCR)
- **Date:** 04-12-2021
- **Time:** 12pm to 1pm
- **Speaker :** Dr. Rajesh Sharma

We look forward to your active participation in this important event.

Report on polymerase chain reaction

Date- 04-12-2021

Organizing Department – Department of Zoology

No. of Participants -32

Resource Person – Dr. Rajesh Sharma

Coordinator Name – Dr. Sunita Bedwal

Event venue – Seminar Hall

Brief report

The seminar on PCR offered a comprehensive overview of the technique's principles, protocol, and applications. Participants learned about the key components of PCR, including DNA polymerase and primers, and observed a live demonstration of the procedure. The session covered practical troubleshooting tips and explored various research and diagnostic applications of PCR. Attendees appreciated the interactive Q&A and the supplemental materials provided. Overall, the workshop effectively enhanced participants' understanding of PCR, though future sessions could benefit from more advanced content and interactive elements.

Conclusion

The seminar on PCR successfully delivered essential knowledge on the technique, encompassing its theoretical foundations, practical execution, and diverse applications. The clear explanations and live demonstrations facilitated a solid understanding of PCR fundamentals and troubleshooting methods. Overall, the seminar was a valuable educational event, equipping attendees with the skills and insights needed to effectively utilize PCR in their research and diagnostic work.

Resource Person – Dr. Vibha Jain

Coordinator Name – Dr. Sunita Bedwal

Event venue – Seminar Hall

Brief report

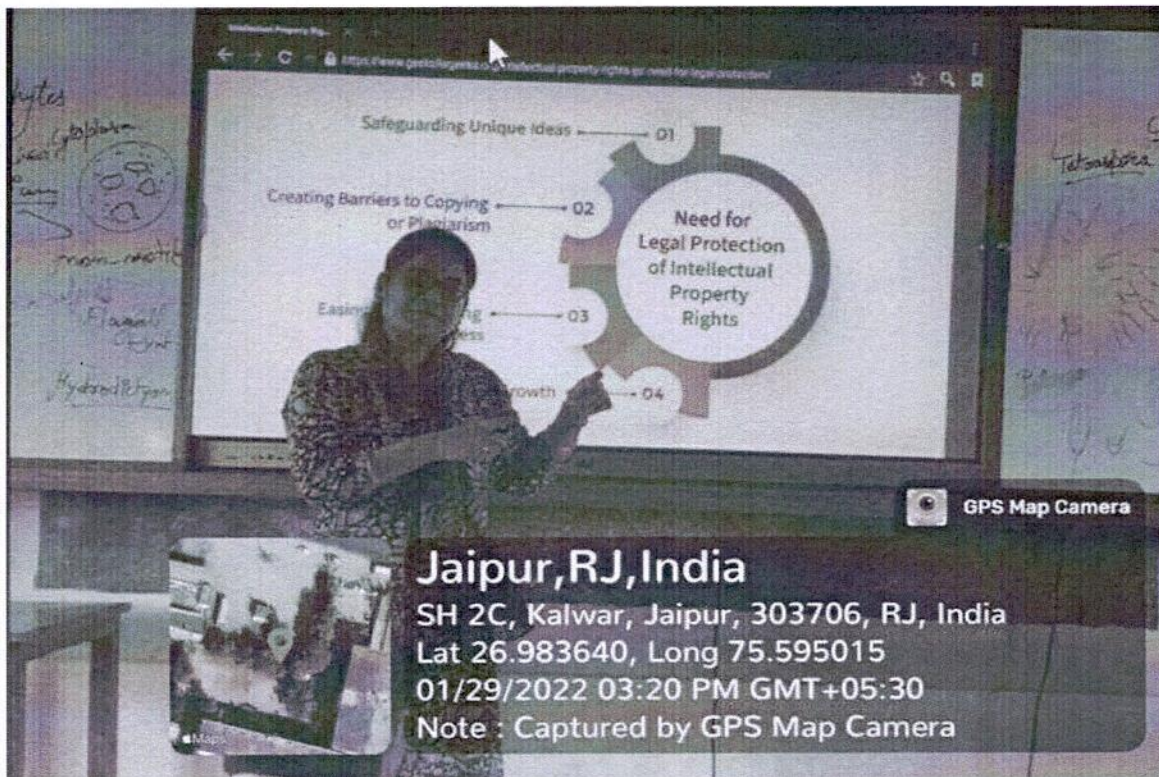

The Seminar on "IPR - Know Your Rights" provided a comprehensive overview of intellectual property rights and their importance in protecting creative works. Experts explained the different types of IP, including patents, trademarks, copyrights, and trade secrets, detailing how each serves to safeguard various forms of intellectual property. The session covered the process for registering and enforcing these rights, along with practical advice on navigating legal challenges and disputes. Case studies highlighted real-world applications and potential pitfalls. Attendees also learned about recent changes in IP laws and their implications. Interactive discussions and Q&A sessions offered personalized insights. Overall, the seminar equipped participants with essential knowledge to effectively manage and protect their intellectual property.

Conclusion

In conclusion, the Seminar on "IPR - Know Your Rights" provided valuable insights into the complexities of intellectual property protection. Attendees gained a clear understanding of different IP types and their roles in safeguarding creative and innovative works. The session's practical advice on registration, enforcement, and legal considerations will aid participants in navigating the IP landscape effectively. The interactive discussions and case studies highlighted

Report on Seminar on Business Ethics and Corporate Governance

Date- 08-02-2022

Organizing Department – Department of Commerce

No. of Participants - 25

Resource Person – Dr. Rekha Bhardwaj

Coordinator Name – Dr. Payoj Raj Singh

Event venue – Seminar Hall

Brief report

The recent seminar on Business Ethics and Corporate Governance offered a comprehensive exploration of the pivotal role these concepts play in modern organizational management. The session was designed to elucidate the ethical frameworks and governance structures that guide corporate behavior, emphasizing the importance of integrity, transparency, and accountability in fostering a sustainable business environment. Key topics included the implementation of ethical decision-making processes, the impact of corporate governance on organizational performance, and the role of regulatory bodies in upholding ethical standards. Through engaging discussions and case studies, attendees gained valuable insights into how ethical considerations and robust governance practices contribute to long-term business success and stakeholder trust. The seminar underscored the necessity for businesses to adopt ethical practices and sound governance to navigate the complexities of the contemporary corporate landscape effectively.

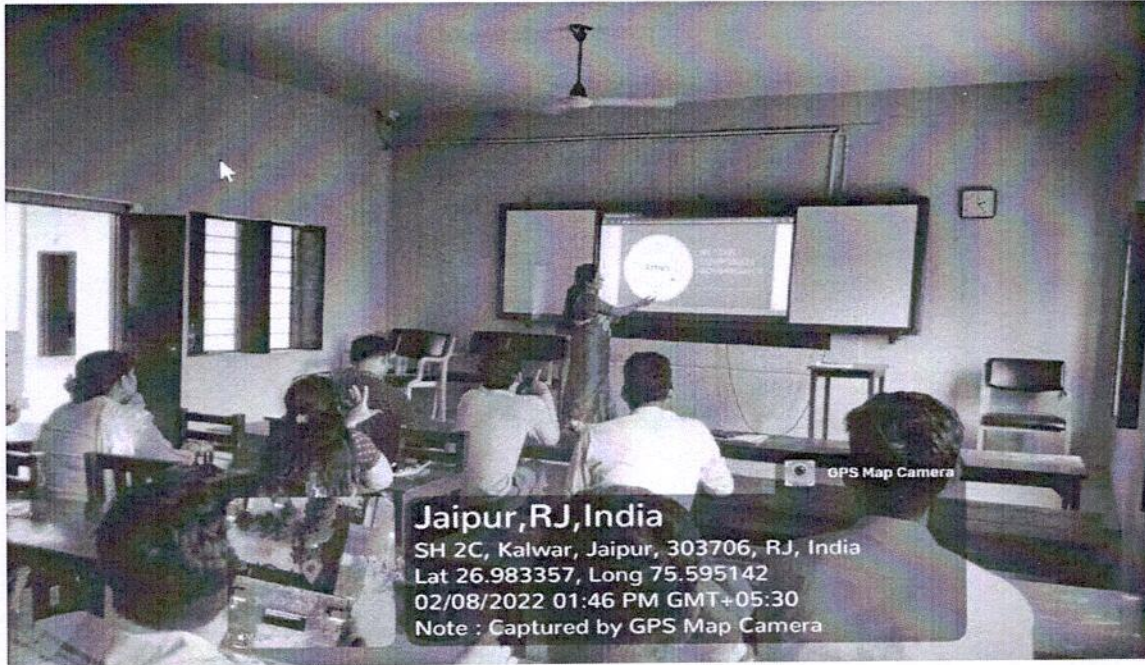

PRINCIPAL
VIVEK PG COLLEGE
KALWAR, JAIPUR-303706

Conclusion

In conclusion, our seminar on Business Ethics and Corporate Governance has underscored the critical importance of ethical practices and robust governance frameworks in today's corporate environment. By exploring various case studies and theoretical insights, we have demonstrated that ethical leadership and transparent governance are not just regulatory requirements but vital components of sustainable business success. Effective corporate governance ensures accountability and integrity, fostering trust among stakeholders and safeguarding the long-term viability of organizations. As we move forward, it is imperative for businesses to embed these principles deeply within their culture and operations, reinforcing their commitment to ethical standards and responsible management. This seminar has equipped us with the tools and perspectives necessary to advocate for and implement these essential practices, contributing to a more ethical and accountable business landscape.

Report on webinar on "Impact of Social Media on Consumer Behavior"

Date- 22-02-2022

Organizing Department – Department of Zoology

No. of Participants - 40

Resource Person – Dr. Manoj Choudhary

Coordinator Name – Dr. Sunita Bedwal

Event venue – Seminar Hall

Brief report

The recent webinar on the "Impact of Social Media on Consumer Behavior" provided valuable insights into how digital platforms are shaping purchasing decisions. The session covered key trends, such as the increasing influence of social media influencers and targeted advertising on consumer preferences. It highlighted the shift towards personalized marketing strategies driven by data analytics and the rise of user-generated content as a powerful tool in shaping brand perception. The discussion also touched on the ethical implications of social media marketing and the need for businesses to navigate privacy concerns while engaging effectively with their audience. Overall, the webinar emphasized the critical role of social media in modern consumer behavior and offered practical strategies for leveraging these platforms in marketing efforts.

Conclusion

In conclusion, today's webinar has illuminated the profound influence social media wields over consumer behavior. We've explored how platforms like Instagram, Facebook, and Twitter are not just channels for brand promotion, but powerful forces shaping consumer preferences and purchasing decisions. The insights shared today highlight the necessity for businesses to adapt to

PRINCIPAL
VIVEK PG COLLEGE
KALWAR, JAIPUR-303706

this digital age, leveraging social media not only for marketing but as a tool for engaging with consumers in real-time. By understanding and harnessing the trends and behaviors discussed, faculty and students alike can better prepare for the evolving landscape of consumer behavior. As we move forward, it is crucial to continuously analyze these trends and apply innovative strategies to remain competitive and responsive to the dynamic nature of social media. Thank you for your active participation and insightful questions, which have made this discussion both enriching and thought-provoking.

Date: 26-03-2023

Organizing Department: Department of Chemistry

No of Participants: 15

Duration- 10 am to 12 pm

Resource Person-Dr Manoj Kashyapp

Coordinator Name-Vinita Rohlan

Brief Report:

The recent workshop on Chemistry Laboratory Experiments, held for college faculty, was a comprehensive and engaging session designed to enhance practical teaching skills and knowledge. The workshop covered a wide range of topics, from fundamental laboratory techniques to innovative experimental methods. Participants were introduced to new technologies and equipment, which were demonstrated through hands-on activities. Emphasis was placed on improving safety protocols and fostering effective experimental design to ensure accurate and reproducible results. Additionally, the workshop provided opportunities for faculty to collaborate, share best practices, and discuss strategies for integrating these advanced techniques into their curricula. Overall, the session was highly beneficial in equipping educators with the tools and insights needed to elevate their chemistry teaching practices.

Conclusion:

At the end of this workshop, participants will be able to:

- Prepare various solutions of different concentrations.
- prepare standard solutions

PRINCIPAL

Report on Webinar on The Political Influence on the Judiciary of India

Date- 11-05-2022

Organizing Department – Department of Political Science

No. of Participants -47

Resource Person – Dr. Arpita Rathore

Coordinator Name – Dr. Sunita Choudhary

Event venue – Seminar Hall

Brief report

The recent webinar on "The Political Influence on the Judiciary of India" offered a comprehensive exploration of the intricate relationship between politics and the judiciary in India. The session highlighted how political pressures and affiliations can impact judicial independence and decision-making processes. Key speakers provided insights into historical and contemporary examples where political considerations influenced judicial outcomes, raising concerns about impartiality and justice. The discussion also delved into potential reforms and measures to safeguard judicial autonomy while maintaining transparency and accountability. Overall, the webinar provided valuable perspectives on the challenges and implications of political influence in the Indian judicial system, making it a pertinent topic for academic exploration and discourse.

Conclusion

In conclusion, the webinar on "The Political Influence on the Judiciary of India" has provided valuable insights into the complex interplay between politics and judicial independence. As faculty members in a college setting, it is essential to recognize the implications of this relationship on the

PRINCIPAL
VIVEK PG COLLEGE
KALWAR, JAIPUR-303706

integrity of the legal system and its impact on the broader democratic framework. The discussions highlighted the need for continuous reform and vigilance to ensure that judicial processes remain impartial and shielded from political pressures. By fostering a deeper understanding of these dynamics, educators can better equip students with the knowledge to critically analyze and engage with the evolving landscape of Indian judiciary and governance. This awareness will not only enhance academic discourse but also contribute to a more informed and active citizenry capable of advocating for the principles of justice and fairness.
