Report on Tribal Day Celebration conducted by National Service Scheme (NSS), Vivek P.G. College, Kalwar

Date: 09.08.2023

Venue: Vivek P. G. College, Kalwar, Jaipur

Objectives:

- Preserve and showcase tribal cultural heritage, traditions, and customs.
- Raise awareness about tribal communities, their history, and contributions to society.
- Empower tribal communities and promote inclusivity, social cohesion, and equality.
- Celebrate diversity and promote unity among tribal and non-tribal communities.

Brief Report:

The celebration commenced with an inaugural address by the NSS Coordinator, highlighting the significance of Tribal Day and the importance of cultural diversity. Tribal dance and music performances were held, showcasing traditional art forms and offering an immersive experience into tribal culture. An exhibition of tribal crafts and artworks was organized, displaying hand-made items such as jewellery, textiles, and pottery. Workshops were conducted on tribal crafts, traditional skills, and storytelling to provide hands-on learning experiences for students. The students hosted interactive sessions with tribal community members, including discussions about their history, traditions, and contemporary issues.

Outcomes:

- Enhanced understanding and appreciation of tribal cultures among participants
- Strengthened bonds between tribal and non-tribal communities
- Empowerment of tribal youth through cultural expression and leadership opportunities

Report on Plantation Drive conducted by Vivek P. G. College, Kalwar in collaboration with Scout and Guide, Chaupasini, Jhodhpur

Date: 09 Aug, 2023

Venue: Govt. School, Chaupasini, Jhodhpur

Objectives:

- To plant 200 trees and saplings
- To raise awareness about the importance of afforestation and conservation
- To promote student involvement in environmental activities

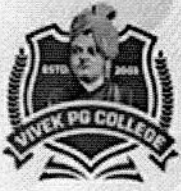

Brief Report:

The drive commenced with an inaugural session featuring opening remarks from the both representatives of the Scout and Guide of college and Chaupasini. They highlighted the significance of the plantation drive and the role of trees in the environment. Participants engaged in planting saplings at designated sites. Each sapling was carefully planted with attention to proper spacing and soil preparation. Conducted brief workshops on tree care, the benefits of afforestation, and how individuals can contribute to environmental conservation. Interactive sessions were organized where participants shared their thoughts on environmental issues and discussed ways to promote sustainable practices.

Outcomes:

- Increased tree cover and forest area
- Community engagement and education on sustainable practices
- Effective collaboration and resource management led to a well-organized and impactful plantation drive.
- High levels of participation from students, scouts, and local community members.

Report on Ozone Day: Popularizing Ozone Protection conducted by Vivek P. G. College, Kalwar

Date: 16.09.23

Venue: Vivek P G College, Kalwar, Jaipur

Objectives:

- To educate the students and public about the importance of ozone layer protection and the harmful effects of ozone depletion
- encourage individuals, organization and government adopt practices that reduce ozone – depleting substance and promote sustainable development

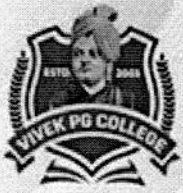

Brief Report:

A group of students and faculty members visited the Biological Park, where they had the opportunity to observe ongoing research related to ozone layer monitoring and protection. The visit included guided tours of the facility, demonstrations of scientific instruments used for ozone measurement, and discussions with researchers about their work on ozone depletion and recovery. The Zoology Head provided an in-depth overview of the science behind ozone layer depletion, its effects on climate and health, and the international agreements aimed at addressing the issue, such as the Montreal Protocol. The session included interactive elements such as Q&A and discussions on how individual actions can contribute to ozone protection. Participants engaged in a workshop that involved practical exercises related to environmental protection. Activities included creating models of the atmosphere to demonstrate how ozone depletion occurs, and developing campaigns to raise awareness about ozone-friendly practices. The workshop aimed to translate theoretical knowledge into practical actions and solutions. The day ended with a reflection and feedback session where participants shared their experiences and insights gained from the visit.

Outcomes:

- Greater awareness about the impact of ozone-depleting substances (ODS) and how everyday actions can affect the ozone layer.
- Increased adoption of practices and products that do not harm the ozone layer, such as using ozone-safe refrigerants and avoiding products with high levels of ODS.
- Strengthened collaboration between local governments, environmental organizations, schools, and the community to promote and implement ozone protection measures.

Report on Cleanliness Drive conducted by Vivek P. G. College, Kalwar

Date: 17.10.23

Venue: Vivek P.G. College, Kalwar

Objectives:

- To enhance the cleanliness and hygiene of the college campus.
- To engage the college community in maintaining a clean and healthy environment.
- To raise awareness about the importance of cleanliness and environmental stewardship.

Brief Report:

The Cleanliness Drive commenced with an inauguration ceremony held at the college campus. Students were organized into teams and assigned specific areas of the campus, including classrooms, corridors, gardens, and common areas. Students were guided on proper waste disposal methods, including the separation of recyclable and non-recyclable materials. The collected waste was properly disposed of in collaboration with local waste management services. Short educational sessions were conducted throughout the day to inform participants about effective waste management practices and the environmental impact of maintaining cleanliness. At the end of the drive, a feedback session was held where participants shared their experiences and suggestions for future initiatives. The feedback provided valuable insights into the effectiveness of the drive and areas for improvement.

Outcomes:

- A significant improvement in the overall cleanliness of the college campus
- Raised awareness among students about the importance of maintaining cleanliness and proper waste management
- A deeper understanding of environmental issues
- Fostered a sense of community and collective responsibility
- Contributed to a positive and collaborative atmosphere within the college

Report on Community Service by NSS and Scout and Guide conducted by Vivek P.G. College, Kalwar

Date: 21.05.24

Time: 10 am onwards

Venue: Vivek P G College, Kalwar, Jaipur

Objectives:

The primary objective of the community service event was to engage students in meaningful activities that benefit the local community, foster a spirit of service and collaboration, and strengthen community ties.

Brief Report:

The event began with an inaugural ceremony, where leaders from both institutions addressed the attendees, emphasizing the importance of community service and the role of youth in driving social change. A major component of the event was a community clean-up drive. Volunteers, including NSS members and Scouts, worked together to clean public spaces. This effort aimed to improve the environment and raise awareness about waste management.

To promote environmental sustainability, a tree plantation drive was carried out. Volunteers planted trees in designated areas and educated the community about the benefits of trees and the importance of green spaces. A feedback and reflection session was held where participants shared their experiences and insights from the day's activities. This session helped to evaluate the impact of the event and provided valuable input for future community service initiatives.

Outcomes:

The community service event was successful in engaging students in meaningful service activities and making a tangible difference in the local community. Participants reported a heightened sense of accomplishment and a deeper understanding of the importance of community service. Feedback from community members was positive, with many expressing gratitude for the support and improvements made through the various activities.

Report on Plantation by NSS Team in Kargil Shaheed Mangej Singh Park, Jhotwara conducted by Vivek P.G. College, Kalwar

Date: 13.08.21

Time: 9 am

Venue: Kargil Shaheed Mangej Singh Park, Jhotwara

Objective:

- To Promote Environmental Conservation: Increase green cover and improve local environmental conditions through tree planting.
- To Enhance Community Green Spaces: Contribute to the beautification and ecological health of the park.
- To Encourage Volunteerism: Engage students in community service and foster a sense of responsibility towards environmental sustainability.

Brief Report:

On the day of the event, volunteers began gathering at the park in the morning. They were welcomed with a brief orientation and an inaugural ceremony led by Principal. The ceremony underscored the significance of the plantation drive and its benefits to the community. The main activity of the day involved planting saplings of various tree species which are suited to the local climate. Volunteers worked on soil preparation, planting, and mulching to ensure the healthy growth of the newly planted trees. The event concluded with a closing ceremony where the day's activities were summarized, and certificates of appreciation were awarded to the volunteers. Participants were treated to light refreshments as a token of appreciation for their efforts. The plantation drive was a success, with over 100 volunteers participating. The diversity of tree species planted will contribute to the park's biodiversity and ecological balance.

Outcomes:

- The plantation activity served as an educational experience for participants, raising awareness about environmental conservation and the importance of tree planting.
- Participants gained practical experience in planting and caring for trees. This hands-on experience helps them develop skills that can be applied in future environmental initiatives.

Report on Campus Cleanliness Initiatives conducted by Vivek P G College, Kalwar

Date: 14.08.19

Venue: Vivek P.G. College, Kalwar

Objectives:

- To Improve Campus Hygiene: Enhance the cleanliness and overall hygiene of the college campus through organized cleaning activities.
- To Promote Environmental Awareness: Foster a sense of environmental responsibility among students and staff by actively engaging them in cleanliness efforts.
- To Encourage Community Participation: Involve students, faculty, and staff in maintaining a clean and healthy campus environment.

Brief Report:

The initiatives began with an opening ceremony where the Principal, emphasizing the importance of cleanliness and environmental stewardship. Volunteers were briefed on their roles and responsibilities. Volunteers, including students, faculty, and staff, were organized into teams to clean various areas of the campus like gathering and disposing of trash from open areas, gardens, and pathways, cleaning indoor areas such as classrooms, hallways, and common spaces, emptying and sanitizing waste bins throughout the campus. The cleaning drive continued with a focus on cleaning specific areas such as laboratories, libraries, and administrative offices, maintenance of gardens and green areas, including weeding and pruning. The initiative concluded with a wrap-up session where participants gathered for a debriefing. The effectiveness of the cleaning drive was evaluated, and feedback was collected from volunteers and participants.

Outcomes:

- Enhanced Campus Appearance
- Improved Hygiene and Health
- Develop a greater awareness of the importance of cleanliness and personal responsibility in maintaining a tidy environment
- Foster a sense of community and collective responsibility, encouraging everyone to contribute to a cleaner campus
- Higher participation in cleanliness drives, workshops, and related events could indicate increased engagement and commitment to maintaining a clean campus
