11.	If Yes, Name of proposed outside Partners/Institutions/Industry/Govt. Org. etc?	NCC Unit/ NCC office, Jaipur	
12	<b>Course Objective of NCC</b> The National Cadet Corps (NCC) is one of the largest youth organizations in India, with a primary objective of developing character, discipline, and leadership qualities among the youth. One of the primary objectives of the NCC course is to develop leadership qualities among the cadets. Through various training activities, including drill exercises, obstacle courses, and team-building exercises, the course instills in its cadets the ability to lead and inspire others. Cadets are taught to make quick decisions, take responsibility, and work in teams. These leadership skills are not only beneficial during the NCC training but also in all aspects of life, be it academics, career, or personal relationships.

**Course Learning Outcome**

Upon completing this course, students will understand the historical context of India's freedom struggle and the challenges of national integration, recognizing the role of youth in nation-building. They will analyze leadership traits and styles, understanding their impact through historical examples and effective communication, including body language. The course will address social issues such as drug abuse, terrorism, and corruption, highlighting civic responsibilities and preventive measures. Students will also explore social evils like dowry and child trafficking, understanding legal frameworks like RTI, RTE, and the Protection of Children from Sexual Offenses Act 2012. Additionally, they will learn about the human body's structure, emphasizing hygiene, sanitation, and disease prevention. Practical knowledge in home nursing and first aid will be covered, along with the promotion of physical and mental health. An introduction to yoga and exercise will encourage students to integrate wellness into their daily lives.
